## **BIBLICAL PERSPECTIVES ON DEALING WITH TRAUMA**

**Levels 1-4**

**Please note the description of the Level One course below**

**Trauma is a drama that will increase in the times before Christ returns. This seminar examines the Biblical evidence of its operations against the human being along with recognizing the clinical definitions and symptoms for the many types of trauma that occur. PTSD and other forms of trauma are considered and examined. But most important of all, this seminar explains how to prevent trauma from overtaking an individual and what issues need to be considered when ministering in a Biblical fashion to someone suffering from trauma.**

**Some of the topics that may be covered: The Role of Boundaries as Affecting human being and brain patterns; The Nature of Salvation In Overcoming Damage that Trauma causes in the Inner Person; Understanding the New Birth as How to Bring about Restoration; Basic Doctrines of the Faith; Grace; The Power and Work of the Cross; Understanding Ministry and Operation of the Holy Spirit in Going to the Roots of Trauma; Understanding the End Times Enemy of Trauma Targeting Various People, And much more...**
