UNDERSTANDING THE FOUNDATIONS OF NATIONS AND GENERATIONS INSTITUTE SEMINAR: Levels 1-6

Please note the description of the Level One course below

Five-day course examining the types and conditions of nations and various named generations presently living in the earth from a Biblical presentation rather than a sociological one.

Designed to challenge the Christian with truths which Christians may better understand and minister to the nations and the named generations known as Generation X, Generation Y, Baby Boomers, Traditionalists and Cuspers.

An invaluable tool for pastors, youth pastors, business leaders, and any Christian determined to be effective in ministering to nations and with the generations into fruitful relationship and productive lives. The stereotypical strongholds that have bound each national and generational value system, spiritual conditions, work ethics, family values and more are exposed. Strategies will be given to equip the participant to see lasting change.

Some of the messages that may be covered: Boundaries affecting Nations and Generations; Understanding the New Birth in Relationship to the Nations and Generations; Foundations; Generations Named and Framed; Work Ethics of the Nations and Generations; Belief Systems of the Nations and Generations; Biblical Strategies for Pastors, Youth Pastors and Ministry Leaders; Global Perspectives of the Movement in Nations and Generations; What Is The Difference between a Nation and a Generation Biblically?; Can Nations and Generations Be Demonized?; And more...
