

# CURRICULUM

## **Please note the description of the Level One course below**

The Institutes For Biblical Truth curriculum uses original and thorough Bible study notebooks written by Dr. Tamara Winslow. Each notebook consists of detailed teaching outlines, as well as numerous pages of Bible references, the Hebrew and Greek words and definitions, cultural and additional study topics. The Basic Institute course will cover approximately 2400 pages of material during the time together. All students completing an Institute course take home a wealth of study material for future reference and study. The original curriculum is only available to students attending the Institutes. Curriculum cannot be purchased outside of the Institute in order to maintain the integrity of the teaching and prevent misinterpretation of the material.

Dr. Tamara Winslow teaches the majority of the classes. Students have access to an excellent study library for their personal reading and study.

Biblical study and prayer are part of the curriculum in every Institute. Every Institute does a general topical study on one particular subject such as faith, hope, offenses, mercy and healing, as the Lord leads.
