

OTHER SEMINAR INFO

The Mystery of Lawlessness Revealed Seminar

This seminar requires a minimum of 3 full days.

This 3-5 day seminar presents the need for understanding today's boundarilessness and endeavors to engage the believer in practical Biblical activity of rebuilding the boundaries without falling into legalism in all arenas of life.

Revival Seminar

There are over 90 different types of Revival indicated Biblically. This 3 full days Seminar explains the definition for revival, it's parameters, it's fruits, it's pitfalls, with God being the Model for revival.

Understanding the Ministry of the Revivalist Seminar

This seminar requires a minimum of 3 full days.

What is a revivalist? This seminar examines the Biblical concept, definition and function of the revivalist. Types of revivalists are identified. Just as in all types of ministry the boundaries of the revivalist are investigated. How the ministry of the revivalist develops and its pitfalls are also examined and much more.

OTHER SEMINAR INFO

Harvest Seminar

This seminar requires 3 full days to teach.

Harvest is different than revival, but often not distinguished from one another. This Seminar acquaints the believer with the seasons of Harvest, the parameters for the various laborers in harvest, the enemies of harvest, types of harvest and more.

Prayer and Intercession Seminar

This seminar requires 3-5 full days of teaching.

Prayer, Supplication and Intercession have become "fads" when in reality they are fundamental for a healthy Christian walk. These 3 are defined from a Biblical perspective then taught in order to enable the believer to more wisely and accurately employ spiritual principles to benefit the individual life or group. Some of the subjects covered in this seminar include: The Character of God in Relationship to Prayer: Supplication and Intercession; The Hebrew and Greek words for Prayer, Supplication and Intercession; Basics on Supplication; The Process of the Development of Prayer; Hearing the Voice of the Lord; Praise and Worship in Prayer: Supplication and Intercession; Hebrew Words for Praise and Worship; Understanding the Gap; Who Can Stand in the Gap; Pitfalls of Intercessors; Enemies of Prayer, Intercessions and Supplication; The three kinds of Hearts God Seeks; Developing Prayer Leadership...And much more.

OTHER SEMINAR INFO

Understanding The Anointing Seminar

This seminar requires 5 full days to teach

These BASIC teachings are designed to define, distinguish, identify and clarify the different types of anointing the Bible speaks of. A brief synopsis of the different types of oil anointing, fire anointing, wine anointing, wind anointing and water anointing as well as some foundational truths on ministering in the anointing may be discussed.

Understanding The Callings of God" Seminar

This seminar requires 3 full days to teach.

The word "calling" has lost its' full definition becoming almost entirely vocational in influence. Callings were first and foremost invitations to participate in relationship with God. This highest calling is walking with God. The lesser callings are defined and explained for the listener in this series of teachings.

Understanding Intimacy and Walking with God Seminar

This seminar requires 5 full days to teach.

God seeks friendship and intimate relationship with man. This seminar explains the different stages of development this walk goes through and how to develop a closer more personal and practical walk with God on a daily basis.

OTHER SEMINAR INFO

Foundations of the Human Life Seminar

This seminar requires 3 full days to teach

If the foundations be destroyed what can the righteous do? Ps. 11:3 An intense and thorough study of the Biblical concept of foundations is covered in this Seminar. The listener will identify the condition of each foundation stone in their life and will then begin to assess how to correct improper foundations in their life.

Understanding the Basic Doctrines of the Bible Seminar

This seminar requires at least one full week to teach

The Bible indicates that there are approximately 25 foundational doctrines fundamentally important to the stability and developing maturity of the believer. This seminar is designed to train the believer in these doctrines. These teachings including the Biblical definition and understanding of Salvation, Healing, Deliverance, Love, Faith, Hebrews 6 doctrines, The sayings of Jesus, Grace, Righteousness, Holiness and more.

Praise and Worship Seminars

These seminars can be conducted as one full day seminars up to several months of teaching days.

Dr. Winslow has organized and taught Praise and Worship Seminars internationally, training thousands of Praise and Worship leaders, Minstrels, and Psalmists, in small group church environments, through

the use of her original curriculum "Praise and Worship Study Compendium" and the "Song of the Lord".
